

My bicycle is a SPECIALIZED DOLCE VITA MULTI ROAD BIKE, 2005 Model. It has a 54cm frame, is 27 speed, has 2 bottle holders, aero bars (not shown in picture), SPL X5 pedals and comes with 2 spare inner tubes and CO2 cartridges. I purchased it in March this year and it has completed the Maui Kings Trial triathlon!

I am asking \$750.00
